Construction Update

Project Update | Folkestone at the Promenade

November 7, 2013

Welcome back to the long delayed, latest edition of the Folkestone project newsletter!

West Terrace: We are currently 60% occupied with new residents! Only a few minor details left to complete. Sotheby's is staged to open shortly, Olives & Spriggs will open the end of this month, and Lunds is scheduled to open in March.

North Terrace: Exterior finishes are complete on the East and South elevations, with interior finishes progressing on all floors.

Regatta: Welcome Weis Builders! Foundation piles are 15% complete.
