Dear <First Name> <Last Name>,

At Mediacom, we're constantly striving to do more for our customers. That's why we're in the process of converting Local Plus channels 2-23 and 77 from analog to digital signals.

Any non-digital-ready TV that is not connected to a Mediacom Digital Converter will need a Digital Adapter to receive the All Digital lineup. Mediacom will provide all Family TV customers with one Digital Adapter at no cost through June 30, 2016. Beginning July 1, 2016, a monthly fee of \$0.99 per standard adapter or \$1.99 per HD adapter will be added to your bill. Adapters must be ordered by August 31, 2015, to qualify.

**GETTING YOUR DIGITAL ADAPTERS IS SIMPLE:**

- **Pick them up at the Mediacom office located nearest to you.**
- **Call 800-479-2095.**
- **Go to [mediacomcable.com/order](http://mediacomcable.com/order).**

All offices (with the exception of Waseca) are closed every Wednesday from 9 AM-10 AM and 11 AM-noon daily.

When you place an order through the phone or website, please have your account number available (shown above). Your digital adapters can be shipped to you at no charge.

**This is your final reminder that you will need a digital adapter to continue receiving cable service on any non-digital-ready TV not currently connected to a Mediacom Digital Converter.** If you have not contacted us, please do so today. As a reminder, the move to All Digital has begun and will be completed in June.

Order your Digital Adapters today to avoid a service interruption.

Sincerely,

*Bill Jensen*
