On April 1st TMSC of Wayzata closed on the purchase of the former Meridian Manor building located at 163 Wayzata Blvd W, Wayzata.

Over the past few months, we have been studying the existing building, the necessary upgrades to both the interior and exterior and the future needs. On June 2, 2021 our application to Amend the PUD was deemed complete by the City of Wayzata Planning staff.

We now wish to introduce you to The Moments Memory Care & Assisted Living and to our team!

*We look forward to this evening—meeting our neighbors,
hearing your thoughts, and sharing our vision for*

THE MOMENTS OF WAYZATA!
